

Mary Soo Hoo Park DESIGN OBJECTIVES	Vote Totals	COMMENTS
HISTORY AND CULTURE		
TELL THE STORY OF CHINATOWN	3	On the bottom of vent tower
MEMORIALIZE SIGNIFICANT EVENTS/PEOPLE	9 5 13 7	Statue of Mary Soo Hoo(main entrance of park) Reformat/transform/relocate Tiananmen Square Memorial No political gathering Tranquility Chinese statue for taking picture
CELEBRATE CHINESE HORTICULTURE	14 2	Grow Asian vegetables/food Nanliang garden (example of Chinese Horticulture)
DISPLAY ON TOWER	5 2 1	Time line of Chinatown on base of vent tower Change the existing mural into a Chinese mural (great wall?) should not distract drivers
MISCELLANEOUS	1 1 1 1 2	Chinese culture symbol (Chinese culture park) Feng Shui 100 Fortunes,100 Longevity Gateway port travel (view corridor from bus terminal) Unite with Chinatown Park-- using paving or water(bring the water from Chinatown Park)
EDUCATION AND RECREATION		
EXPLORE NEIGHBORHOOD PARTNERSHIPS	5	Mary Soo Hoo daughter-yes Quincy school would love an outdoor classroom
CREATE LARGER PLAY ENVIRONMENT	10 2 2	Climbing structure Play structure on both sides "Movie in the Park" --project movie on the Hudson St side
ENCOURAGE INTERACTIVE PLAY	2	Play structure is not a "structure"
PROVIDE PASSIVE RECREATIONAL OPPORTUNITIES	7	Chinese games Close benches for talking Movable tables + chairs Shorter bench
EXCHANGE INFORMATION	3	
OTHERS	4 1 3 3 9 1	Fence on east side (near artery southbound) should be a functional fence-welcoming Not enough activities on the plaza Special flexibility of plaza (both daily life and special event) More shade structure on the plaza Chinese pavilion Homeless people issue (can light be a solution?) Close surface road
SUSTAINABLE AND PRODUCTIVE		
BRING MORE GREEN TO CHINATOWN	1 1	Trees along Hudson Street Quincy School roof top Tufts Medical Center
CELEBRATE ECOLOGY OF WATER		Safety issues (don't trap people) Railing needed? Freezing cobbles is problem?
BRING LIGHT TO SHADED AREA	6	
EDUCATE VISITORS ON ECOLOGICAL FEATURES		Minimize the sign
OTHERS	1 2	Too many bugs Soft material to balance green and hard surface Planting food-Asian fruit
