PLAN: Dot Ave South Boston

Walk Tour Comments & Field Notes

to participate and to learn more visit: bit.ly/plandotave to share your observations and photos contact us: mary.knasas@boston.gov tel: 617.918.4489 viktorija.abolina@boston.gov tel: 617.918.4312

Planning Themes

As you tour the area, consider these themes in your observations:

Mobility and Connectivity

Walkability and bikeability, bicycle and vehicle infrastructure conditions, parking resources, and improvement opportunities.

Public Realm and Streetscape

Area character and functionality, and opportunities for beautification, and placemaking.

Land Use and Development

Successful uses, adjacencies, and projects and new opportunities sites, use needs and characteristics.

Community Resiliency and Sustainability

Social cohesion, housing affordability, business viability, public health, environmental well being, energy / pollution, and mitigation and adaptation opportunities.
