Western Avenue at Leo M. Birmingham Parkway and Arsenal Street Intersection & Corridor Improvements

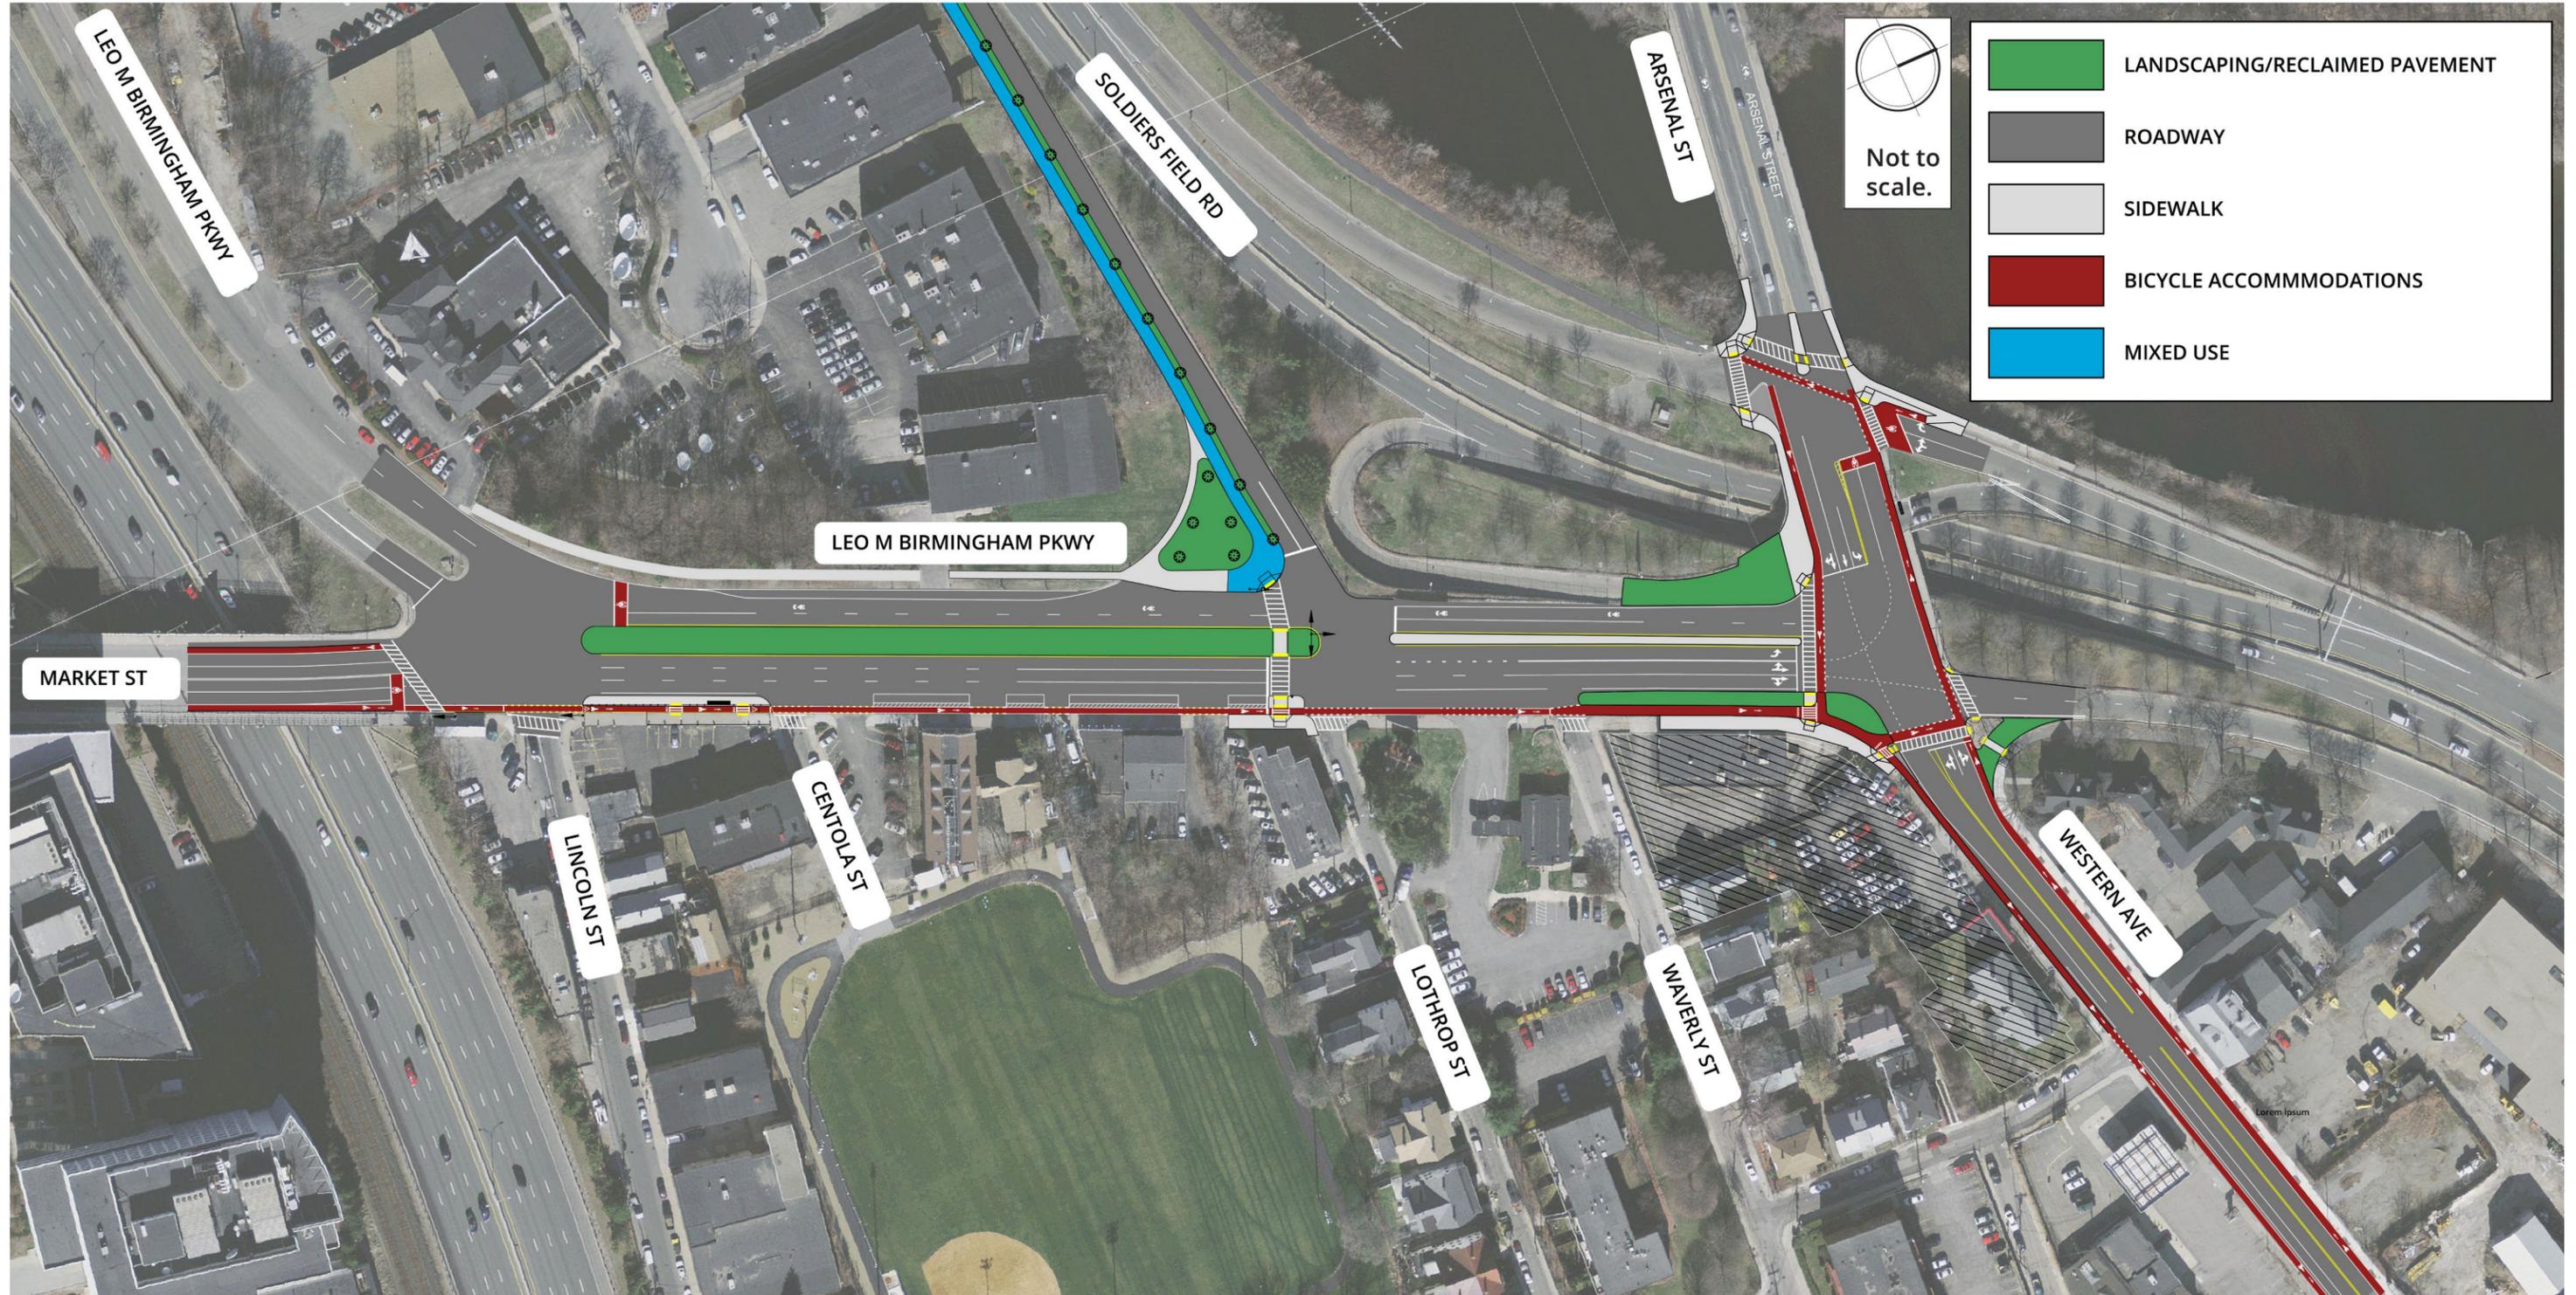

Implementation Status as of January 2021

Preferred Short Term Concept

Change from concept presented in presentation on January 31st, 2018 titled "Western Avenue at Leo M. Birmingham Parkway and Arsenal Street Intersection & Corridor Improvements": one-way northbound bike facility instead of two-way bike facility. This change was made after further review by BTDA Active Transportation based upon feasibility considerations.

Cost: \$200,000

Status: Concept design funded by the 530 Western Avenue (Radius) development.

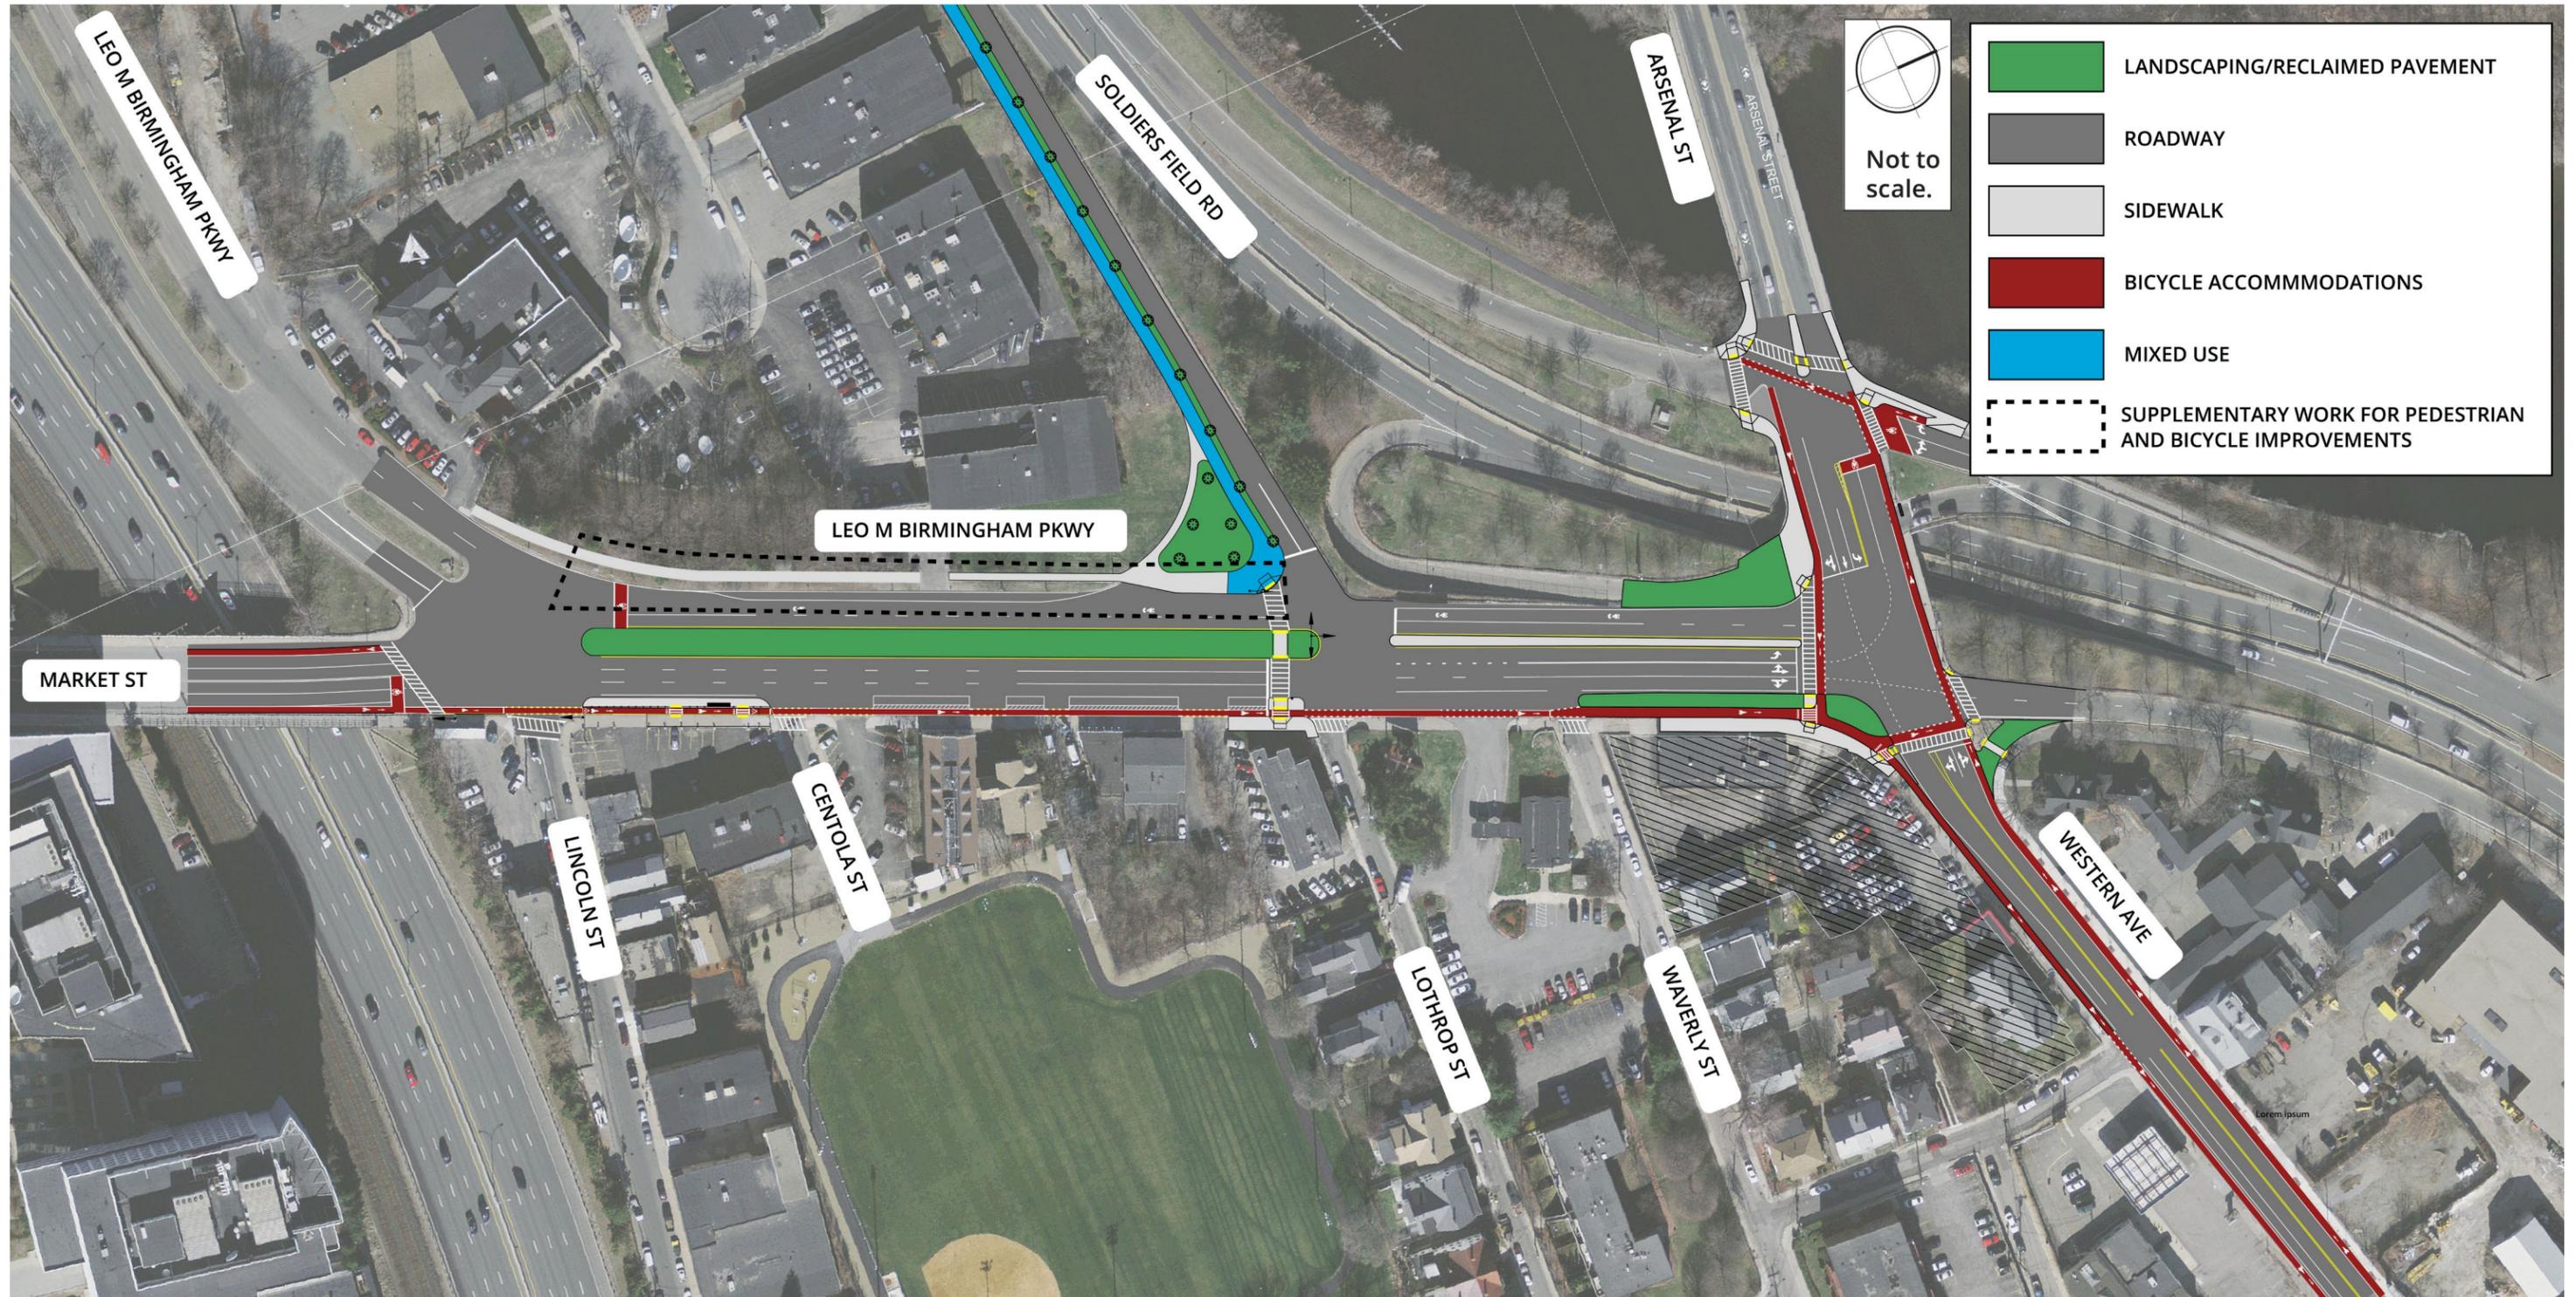

Supplementary Work by 44-46 Soldiers Field Place

In light of planned change from 2-way to 1-way bicycle facility on northbound LBP, the City has determined a need for a southbound bike facility and accessible sidewalk between the Soldiers Field Road exit ramp and LBP/Market/Lincoln.

Cost: \$100,000 (estimated)

Status: Development project was approved by the BPDA board in January 2021. Construction of improvements will be completed prior to building occupancy (estimated Fall 2022).

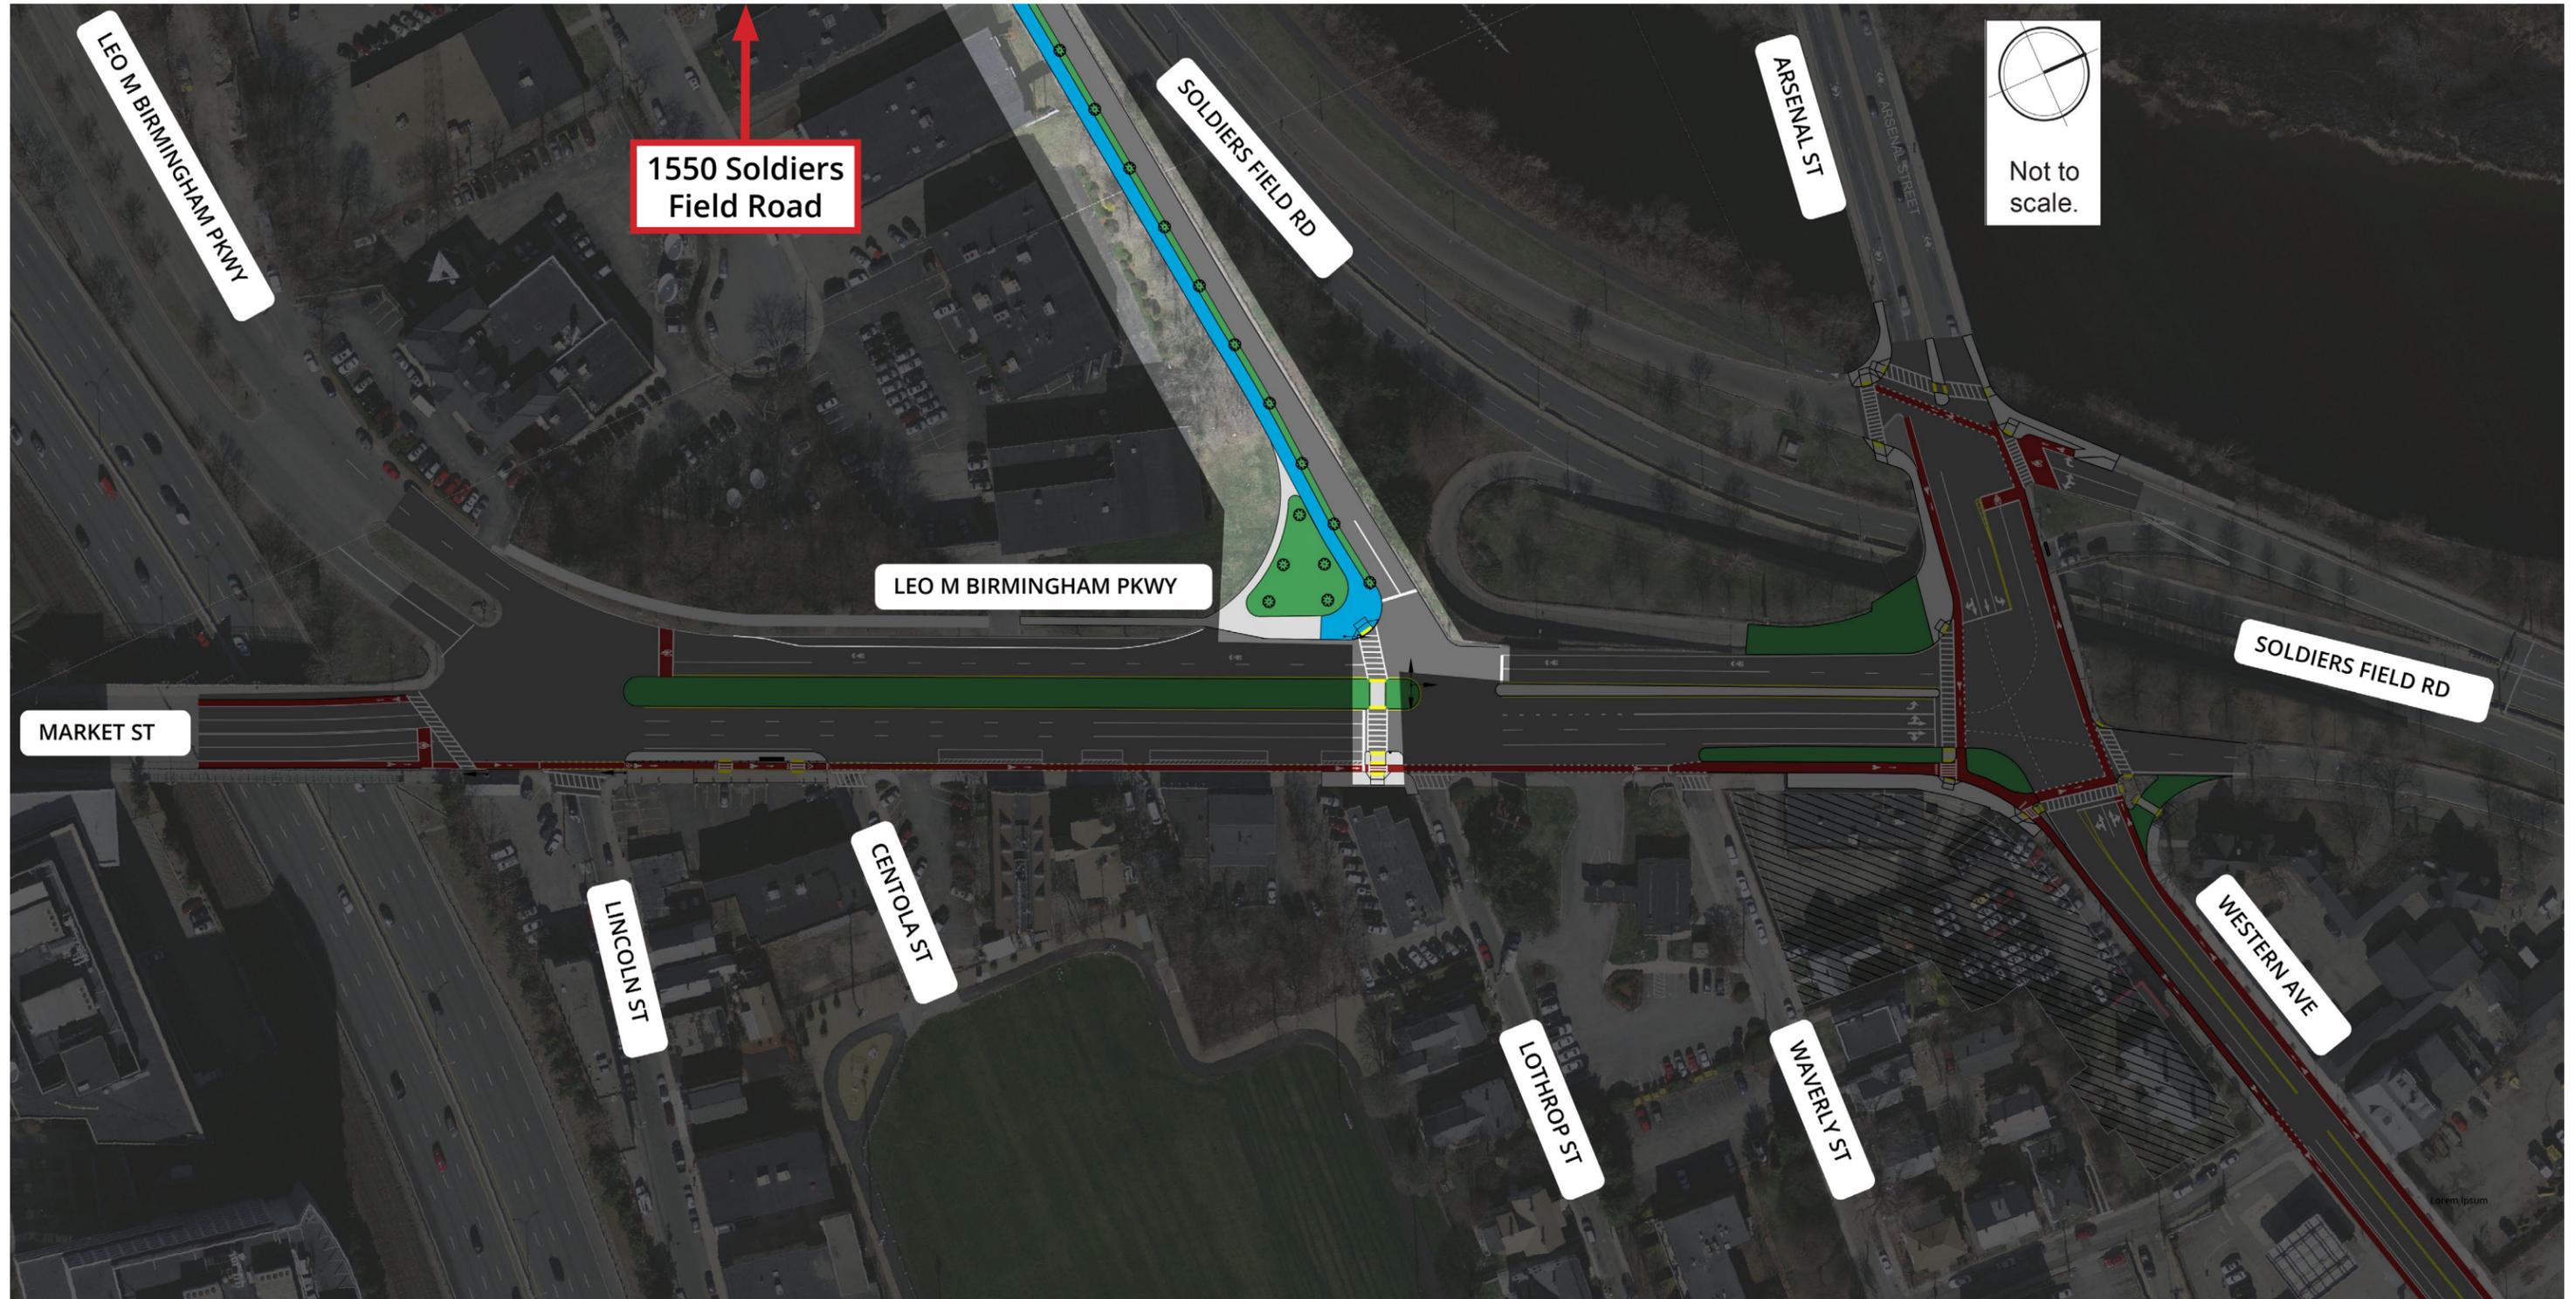

1550 Soldiers Field Road Commitment

- Shared use path along Soldiers Field Road
- Closing slip lane from Soldiers Field Road to Leo Birmingham Parkway
- New crosswalk over Leo Birmingham Parkway

Cost: \$300,000

Status: Development project under construction. Roadway improvements to be completed prior to building occupancy (estimated Fall 2021).

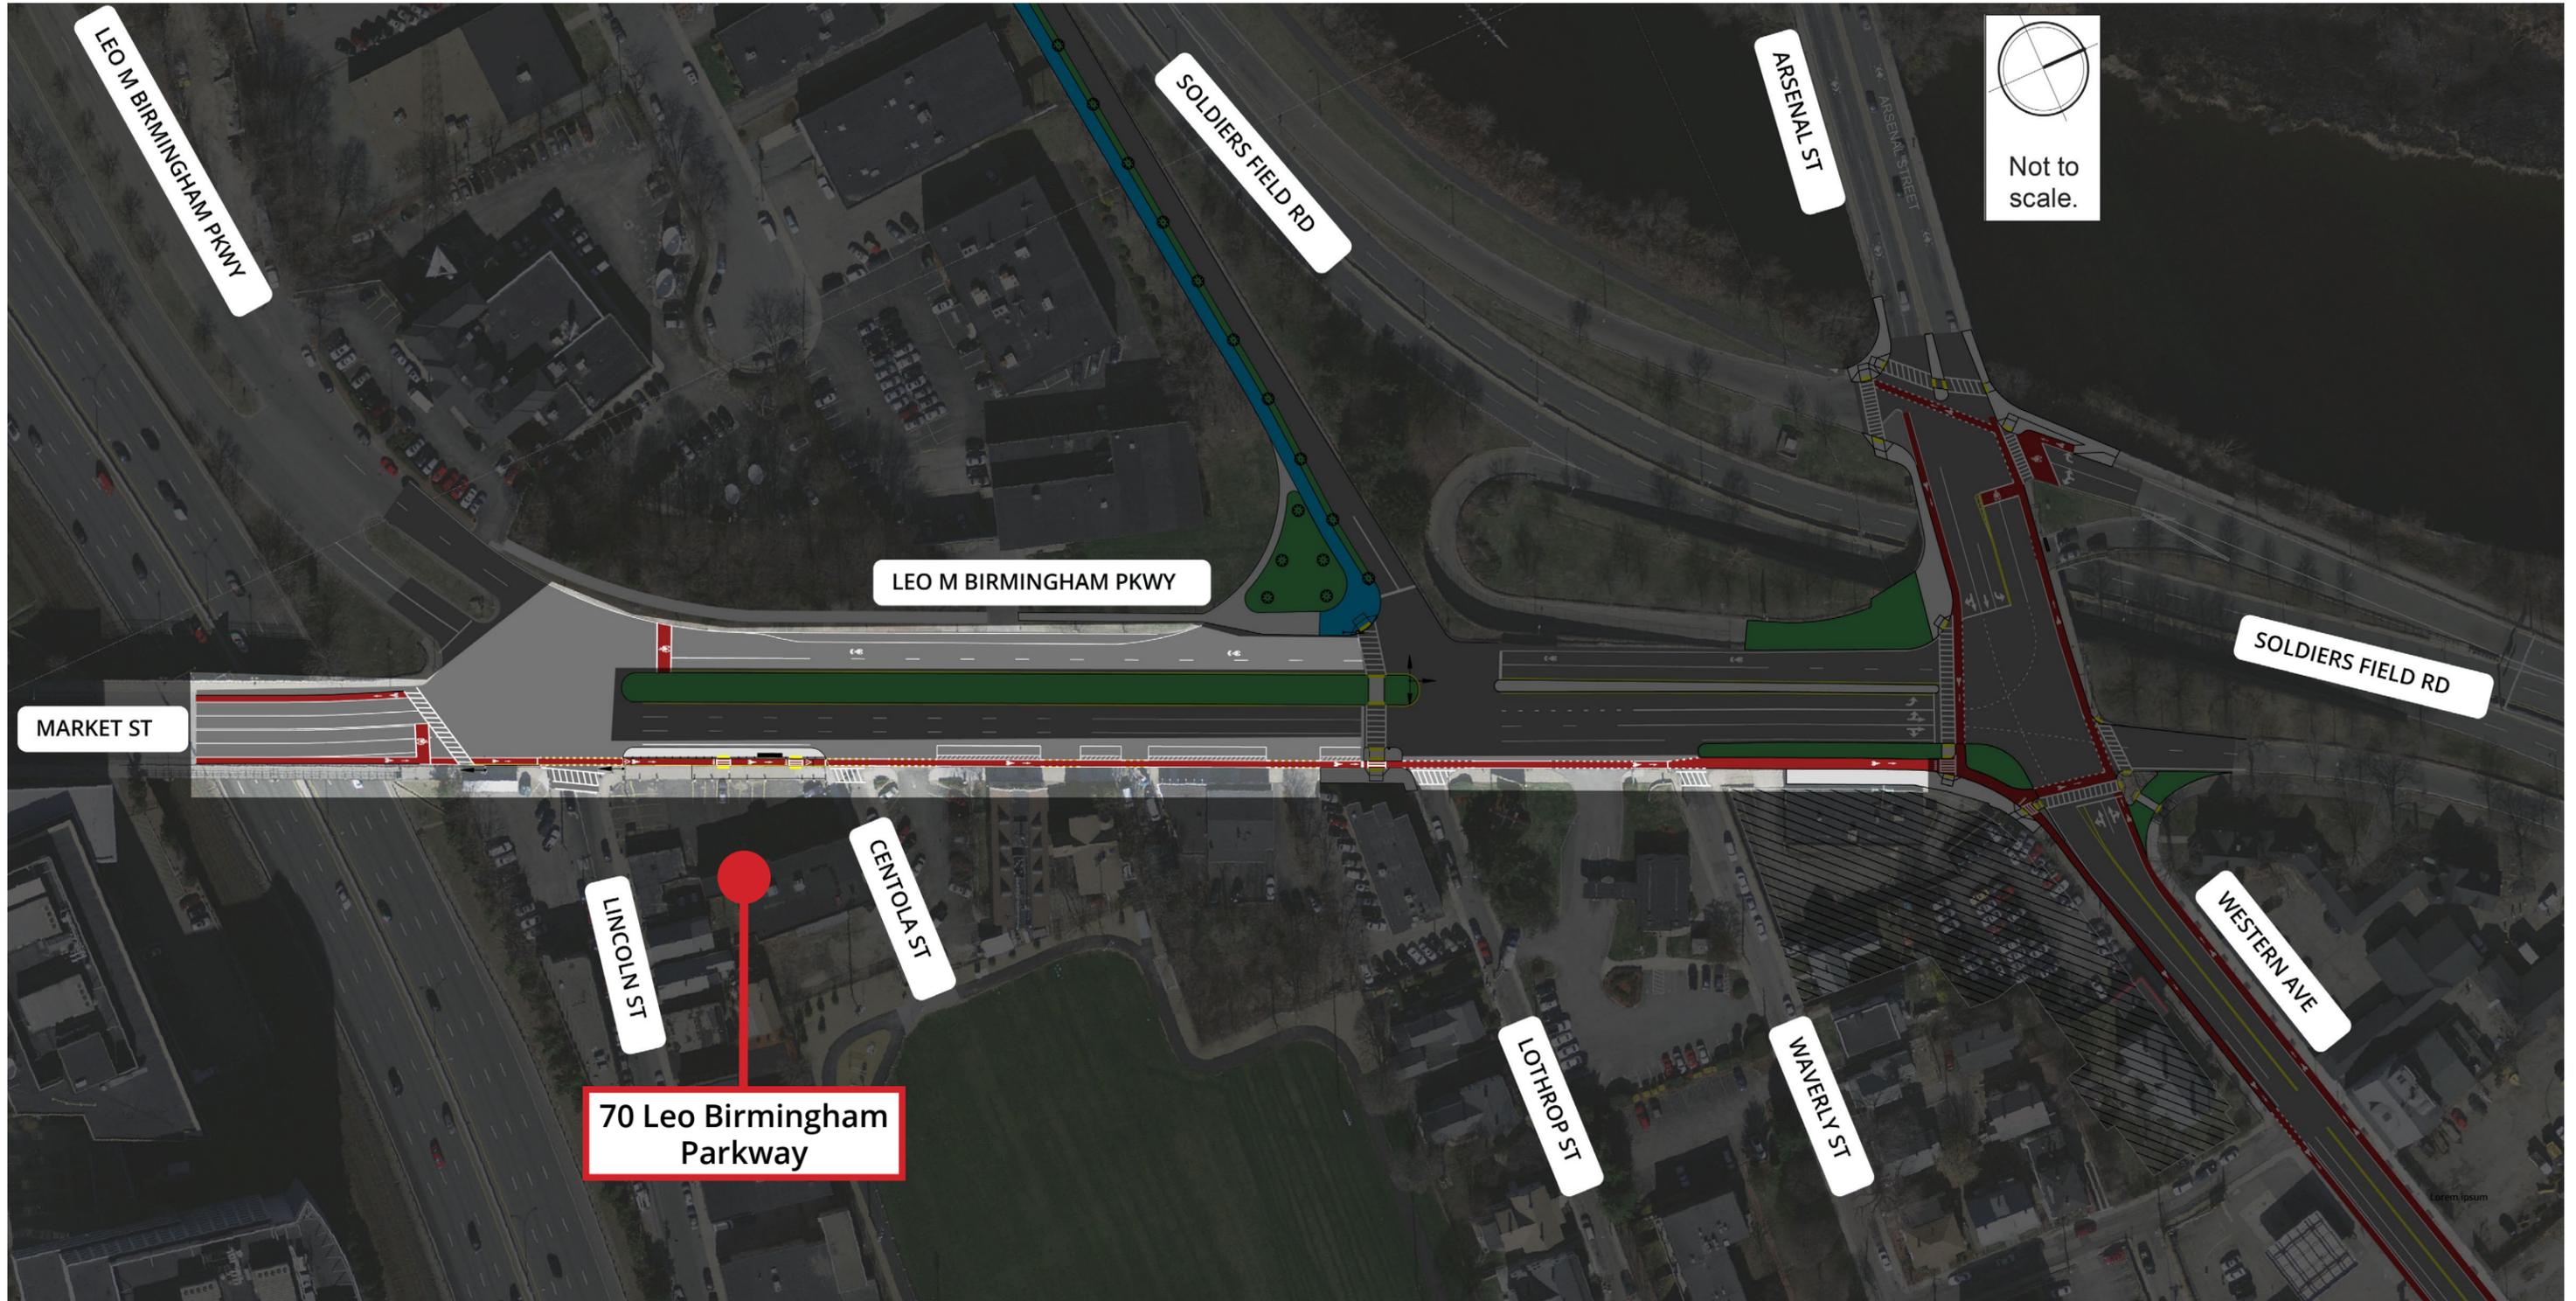

70 Leo Birmingham Commitment

- Floating bus stop in front of project site
- One-way separated bike facility from just before Lincoln Street to Western Ave
- Bike boxes at Lincoln St/Leo Birmingham Parkway/Market St intersection
- Striped parking lanes on Leo Birmingham Parkway

Cost: \$70,000

Status: Building permits for development project were approved in July 2020. Roadway improvements to be completed prior to building occupancy (estimated Summer 2022).

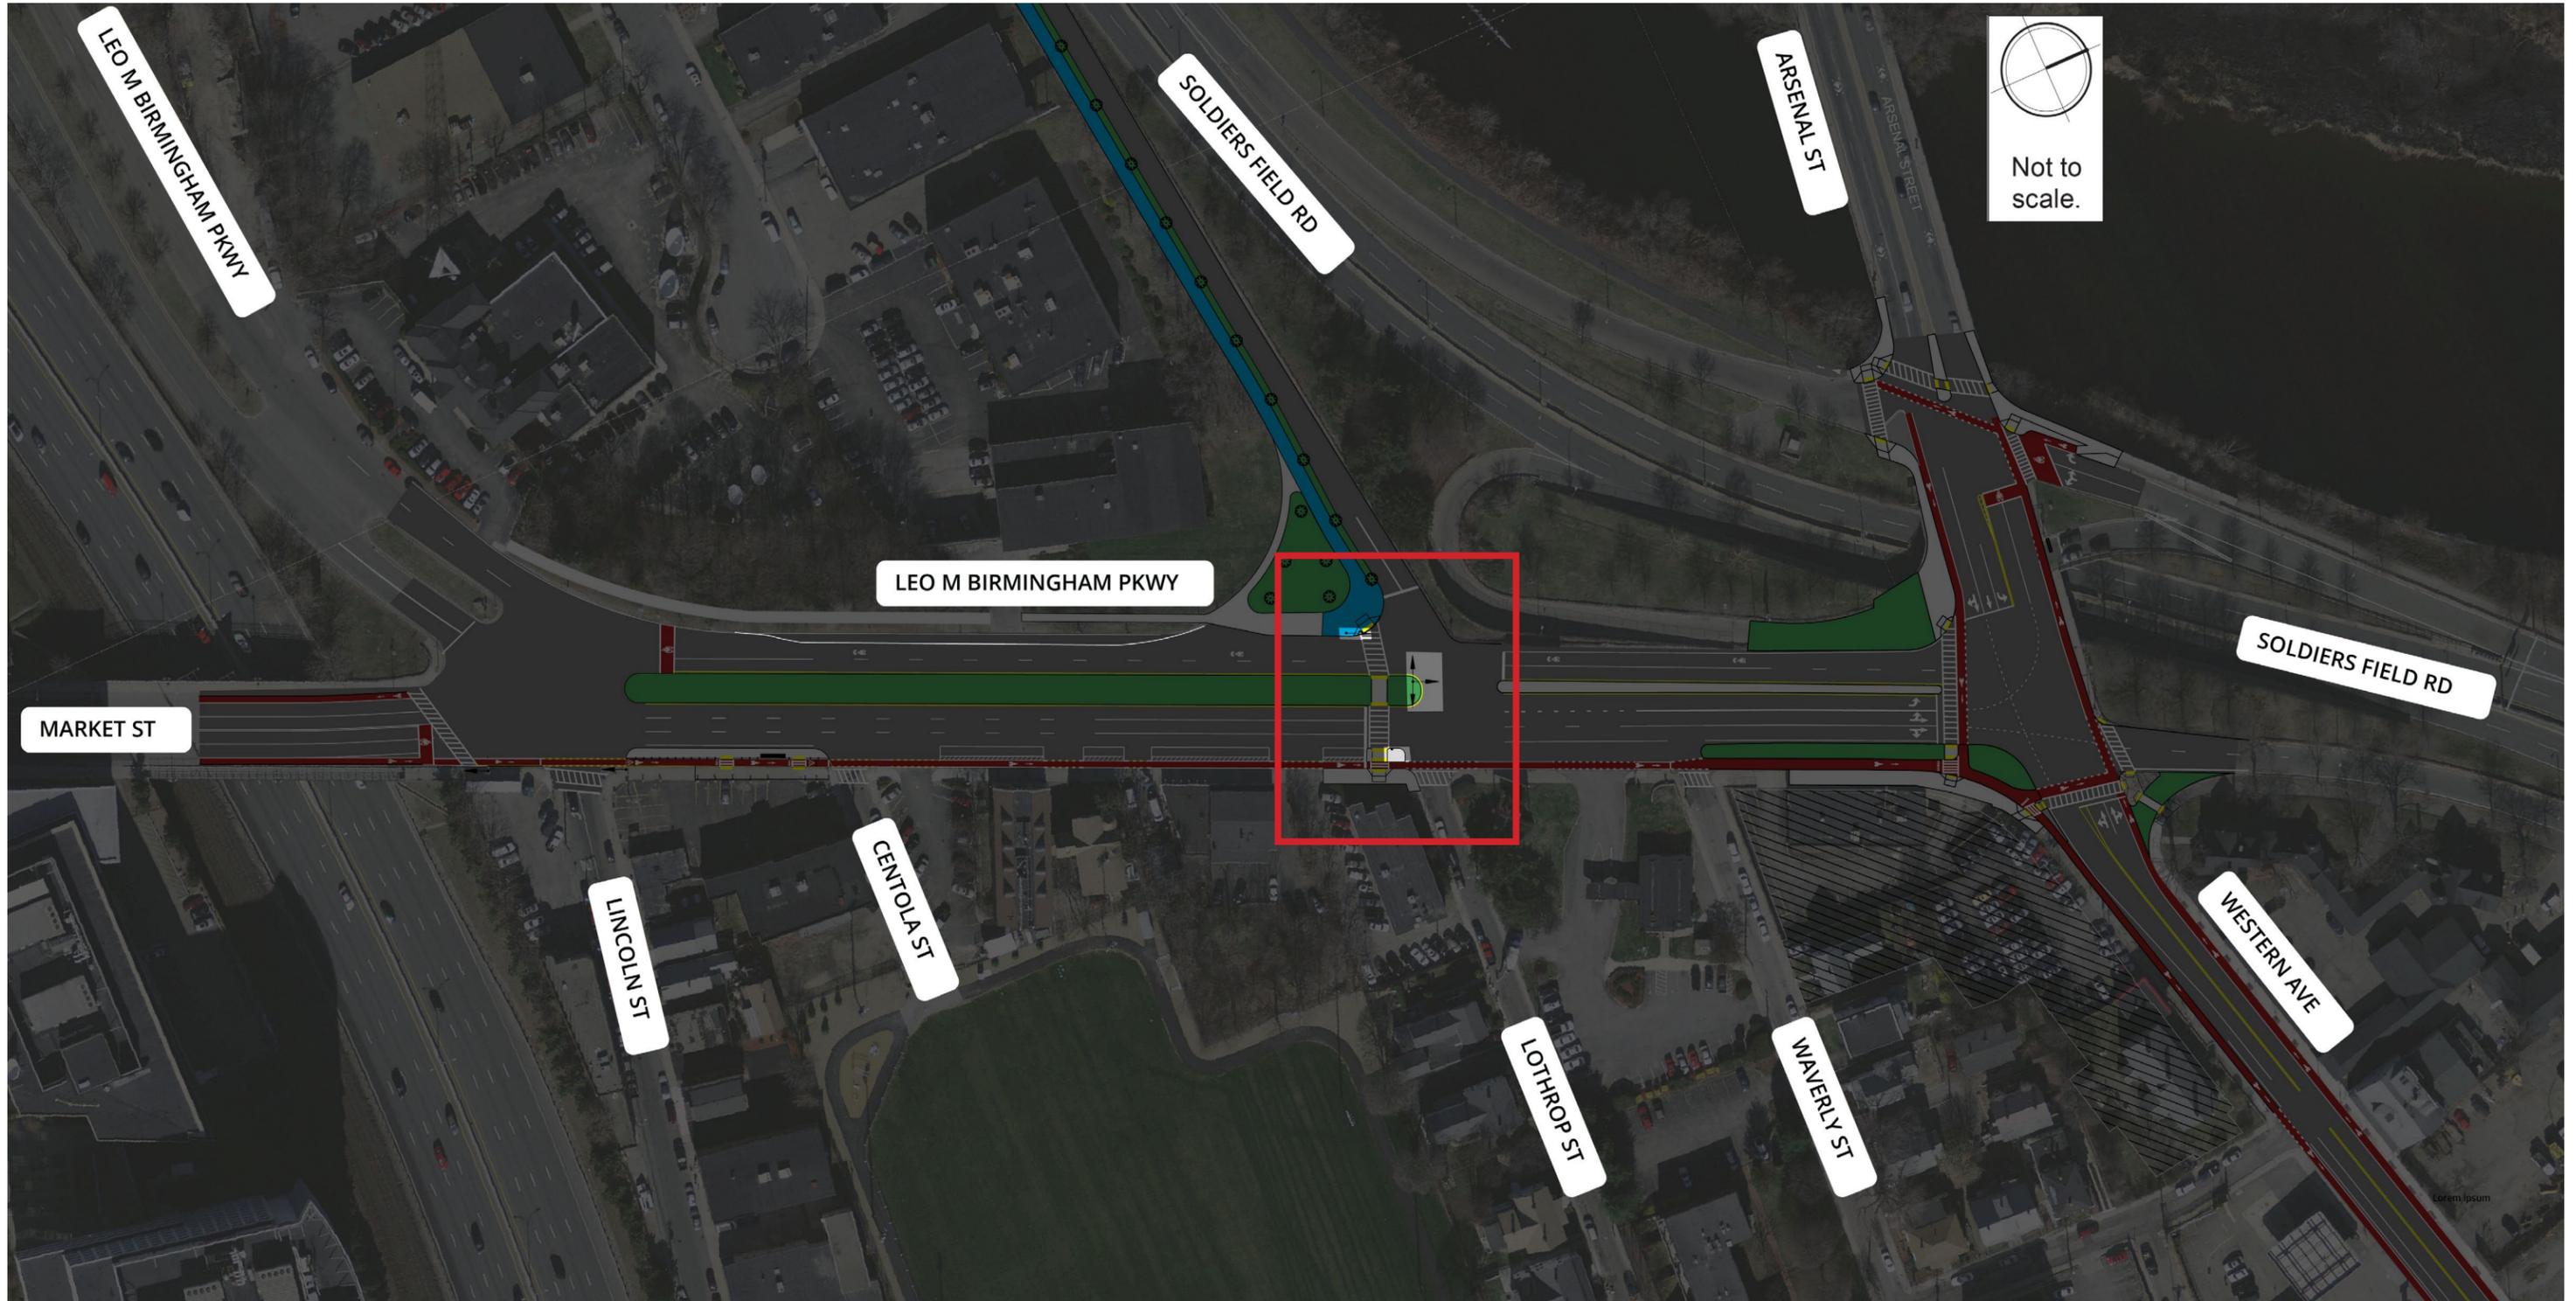

Future Development Commitment TBD

- Signalizing new crosswalk over Leo Birmingham Parkway

Cost: \$200,000

Status: TBD. Candidate funding source includes future development project at 30 Leo Birmingham Parkway.

Future Development Commitment TBD

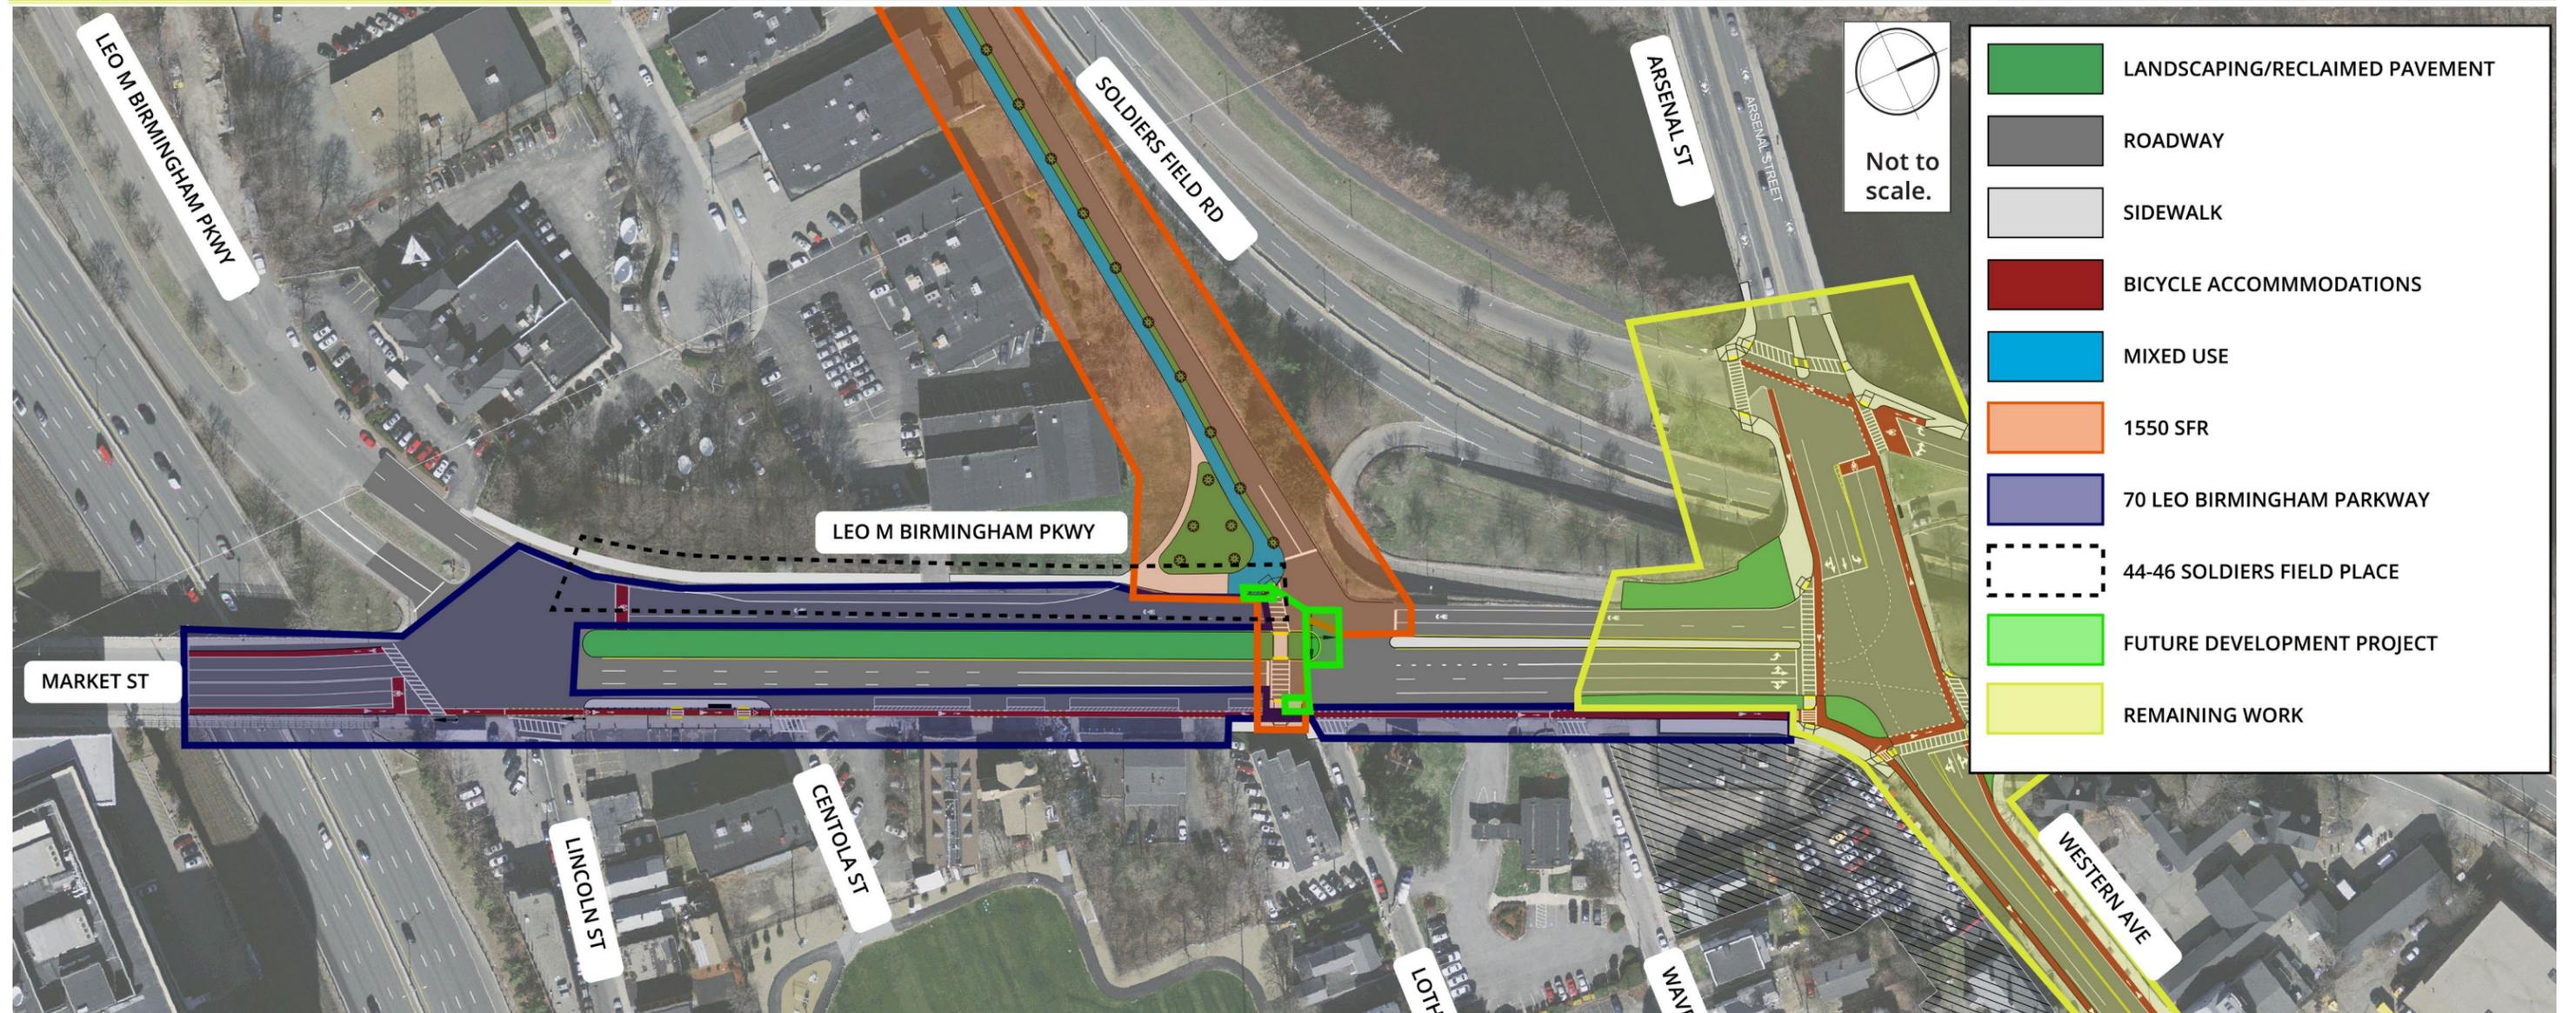

- All improvements at Arsenal St/Soldiers Field Rd/Western Ave/Leo Birmingham Parkway intersection and approaches

Cost: \$800,000
Status: TBD

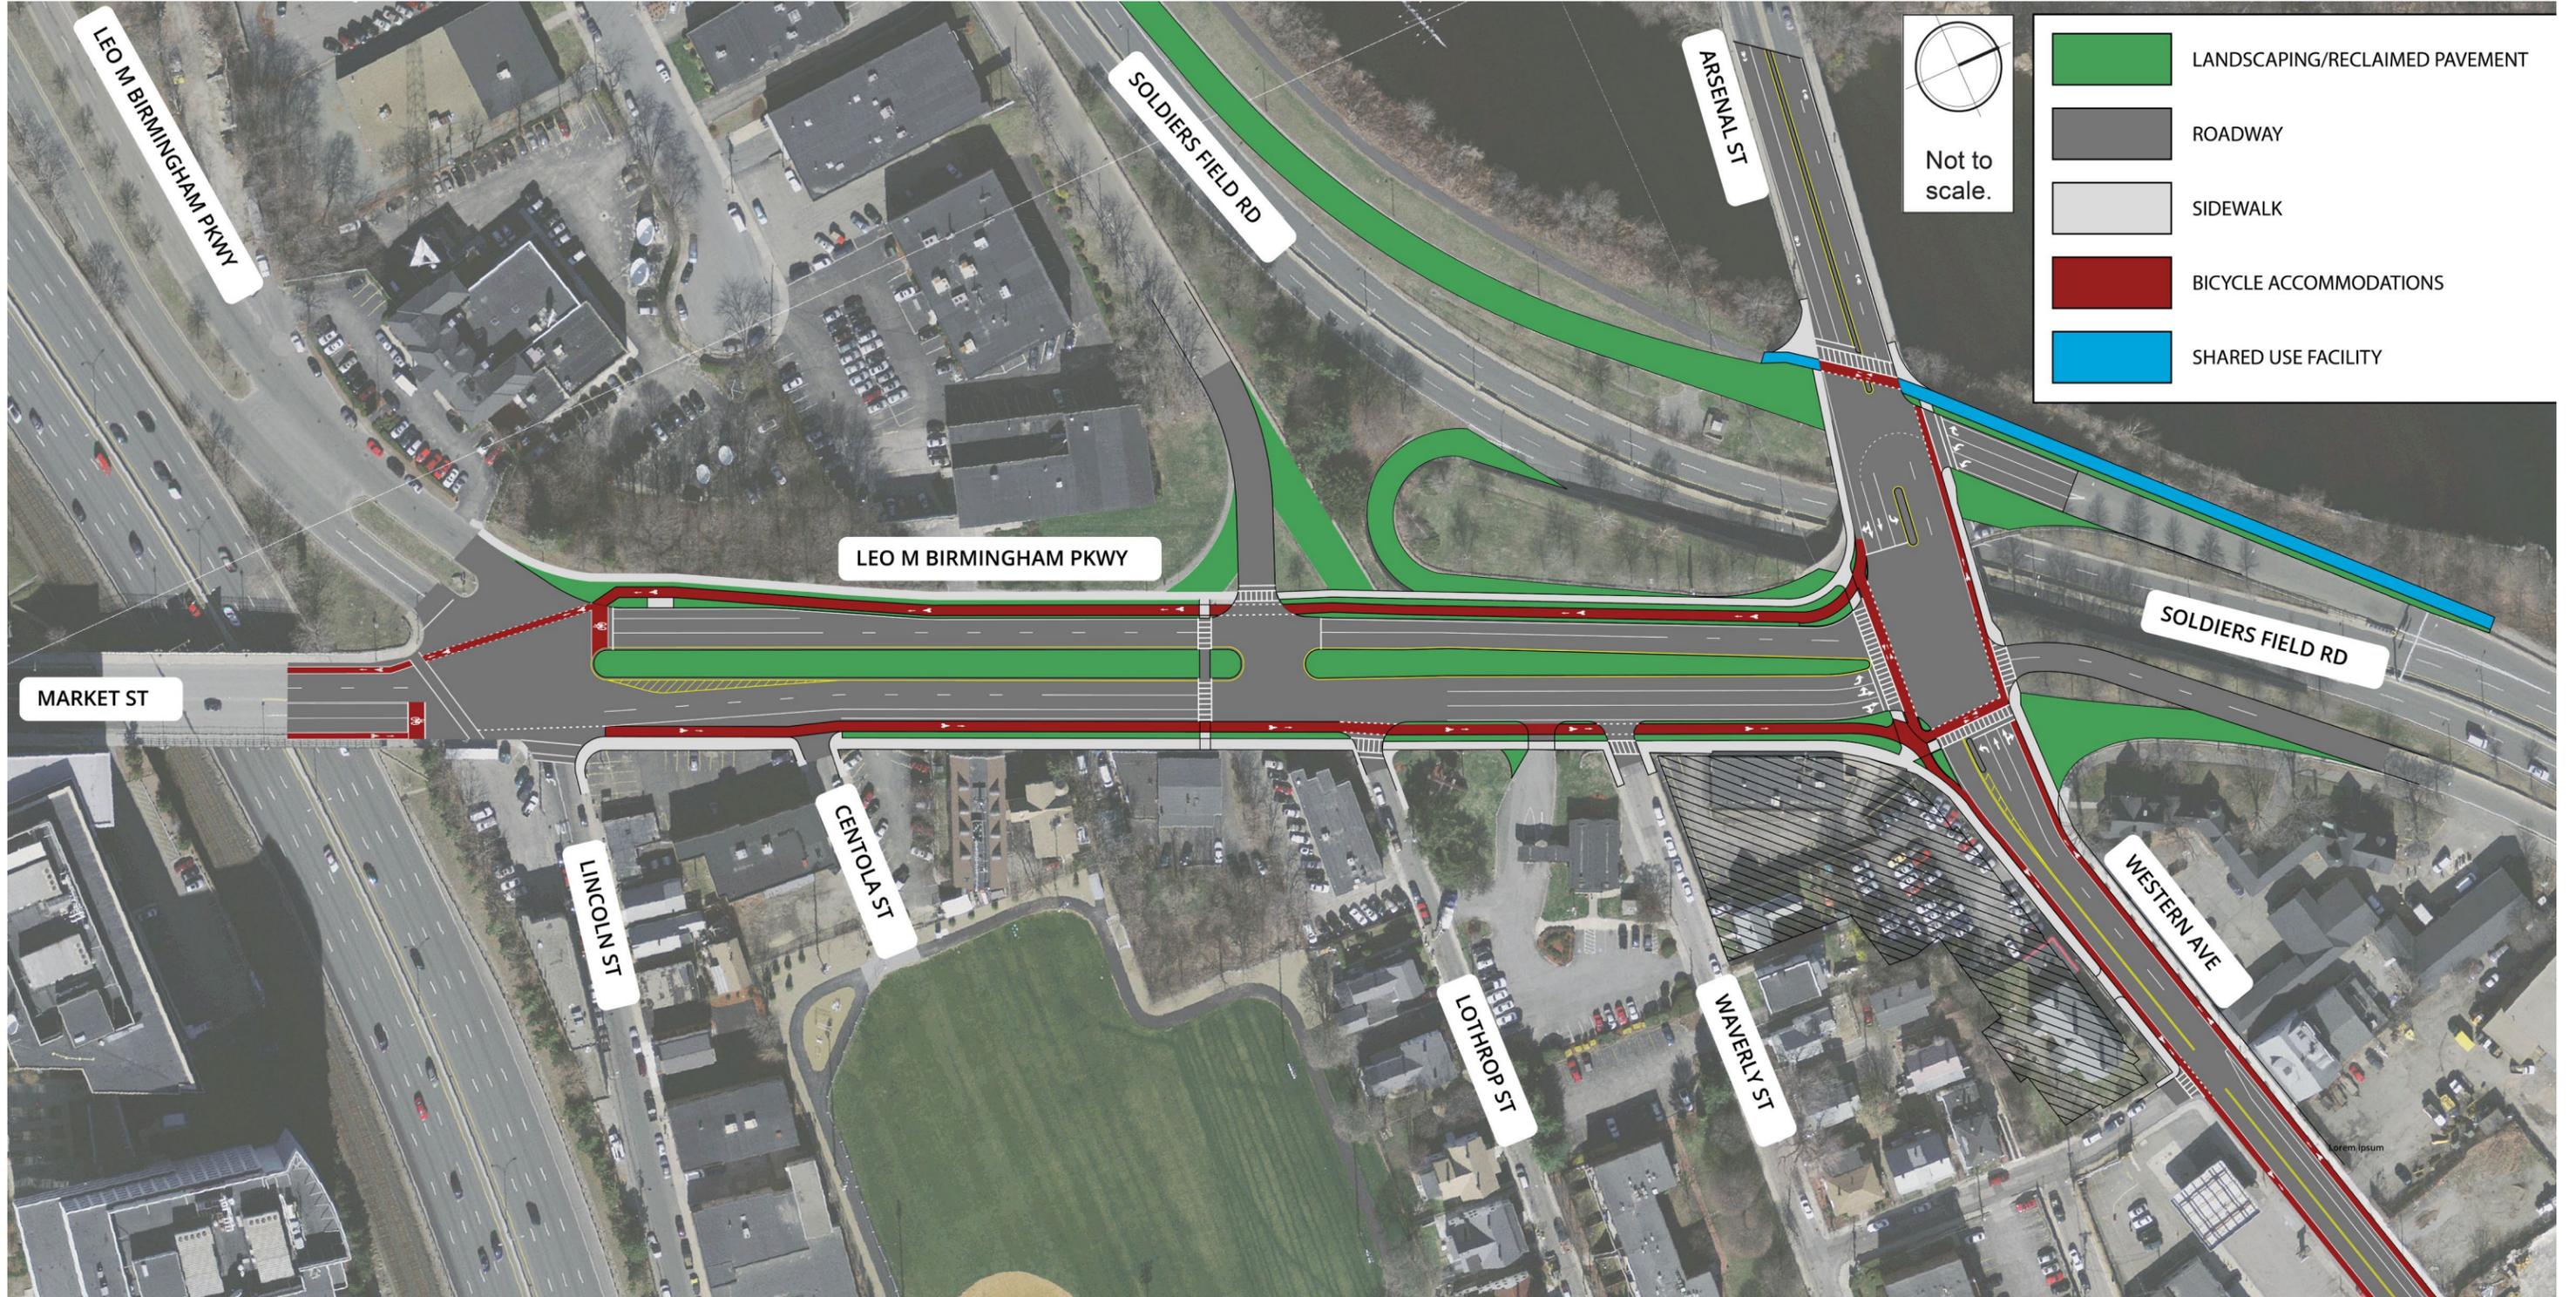

All Commitments for Short Term Improvements

Funding/Implementation Source	Description of Improvements	Cost	Status
1550 Soldiers Field Road	Shared-use path along Soldiers Field Road, closing slip lane from Soldiers Field Road to Leo Birmingham, new pedestrian crossing across Leo Birmingham	\$300,000	Development project under construction. Roadway improvements to be completed prior to building occupancy (estimated Fall 2021).
70 Leo Birmingham Parkway	Floating bus stop in front of development, one-way separated bike lane from Lincoln St to Western Ave, bike boxes at Lincoln/Market/LBP intersection, striped parking on Leo Birmingham	\$70,000	Building permits for development project were approved in July 2020. Roadway improvements to be completed prior to building occupancy (estimated Summer 2022).
44-46 Soldiers Field Place	Southbound bike facility and accessible sidewalk between Soldiers Field Road exit ramp and LBP/Market/Lincoln.	\$100,000 (estimated)	Development project was approved by the BPDA board in January 2021. Construction of improvements will be completed prior to building occupancy (estimated Fall 2022).
Future Development Commitment TBD	Signalize the new pedestrian crossing over Leo Birmingham Parkway	\$200,000	TBD. Candidate funding source includes future development project at 30 Leo Birmingham Parkway.
Future Development Commitment TBD	All improvements at Western/Arsenal/Leo Birmingham/Soldiers Field Road intersection	\$800,000	TBD
