Report #542 March 2001

Age and Racial/Ethnic Categories Used in the 2000 Census

This report is based on the U.S. Census Bureau's initial release in March of 2001 of PL 94-171 data for the year 2000. In this first release of data, the Census Bureau categorizes persons as either "18 Years and Over" or "Under 18 Years." The purpose of this categorization is primarily to provide data on voting age adults for redistricting purposes. The data on youth under 18 years, however, are also valuable. This report provides an analysis of these 2000 census data showing information both by age - youth (under 18 years old) and adults (18 years and over) - and their racial and ethnic composition for the city as a whole and for its neighborhoods

Over the years, the U.S. Census Bureau has changed the description of and increased the number of its racial categories to accommodate the way respondents identify themselves. By 2000, the number of racial categories had increased to 63, as the Census Bureau, for the first time, permitted respondents to classify themselves in more than one category. The Bureau then collapsed the 63 categories into eight major categories. (In 1990, there were only six categories.) Meanwhile, the Census Bureau has continued to divide persons in all racial groups into one of two ethnic categories: either Hispanic or Latino or Not Hispanic or Latino, for a total of 126 racial-ethnic categories.

To preserve the ability to compare the 2000 Census results with those of past years and to track changes in Boston's racial and ethnic diversity, it has been necessary to reduce the Census Bureau's eight categories to seven categories as shown in the following chart.

	Census Bureau Categories		BRA Categories
1.	White (Non-Hispanic)	1.	White*
2.	Black or African American (Non-Hispanic)	2.	Black/African American*
3.	Hispanic or Latino (across all racial categories including Multi-	3.	Hispanic
	Racial)	Э.	пізрапіс
4.	Asian (Non-Hispanic)	4	Asian/Pacific Islander*
5.	Native Hawaiian & Other Pacific Islander (Non-Hispanic)	4.	Asian/Pacific Islander
6.	American Indian or Alaskan Native (Non-Hispanic)	5.	Native American*
7.	Other Races (Non-Hispanic)	6.	Other Single Race*
8.	Multi-Racial (Bi-Racial and Multi-Racial, Non-Hispanic)	7.	Multi-Racial*

^{*} Non-Hispanic

Using these age and racial and ethnic categories, the charts and tables which follow present an overview of the Boston's youth and adult population in 2000 in the city as a whole as well as its neighborhoods. A comparison of changes over time using these categories will be available at a later date.

YOUTH AND ADULT POPULATION OF BOSTON

Youth and Adult Population by Neighborhood
